Park GPS Map

Find where you are

Kids Kingdom Zone

Kids Kingdom Zone contains many attractions that both adults and children can play freely, including one of Japan's largest Adventure Playground Courses, a Lawned garden, Pony Back Riding, and Petting Zoo Area. Putting Golf Course, Funny Bicycle Riding, Mini Railway, and Balance Ball Mountain are also very popular. Enjoy a variety of food of food shops.

Adventure Playground Course

Rainbow Pond

Petting Zoo Area

Fairy Tale Hill Zone

A rural landscape of Denmark in the 1800's, in which the world-famous fairy tale writer Hans Christian Andersen lived, is reconstructed. Windmill, Farmer's House, and Fairy Tale Pavilion were built replicating buildings of the Funen Village in Odense. The paper cuttings by H.C. Andersen and plates with his fairy tale motif are displayed in many places around this zone. Fairy Tale Hill Zone was arranged through the full cooperation with the City of Odense.

Windmill

Fairy Tale Pavilion

Pond of the Sun

Children's Museum Zone

Children can create arts with expressing their imagination fully and they can also play the characters in the fairy tales at Children's Museum. This unique hands-on museum provides children with various opportunities, including the workshops with artists, the events with museum's staffs, and the weaving using cottons from fields so on.

Entrance

Andersen Studio

Creativity Experience

Nature Experience Zone

The waterside of Satoyama was constructed based on the existing woods and damp ground in the northwest of Wampaku Kingdom Zone. Visitors can enjoy nature of Satoyama in all its seasons by taking a stroll along the walking course around the waterside with water plants and the paddy fields downstream.

Satoyama woodland

Woods (Walking path)

Castel of Flowers Zone

The works and playground equipments featuring H.C. Andersen's fairy tales have been placed in the Castel of Flowers Zone. Small children can enjoy creation and fantasy play in this zone.

Rest Area & Play Room

Topiary of the Heart

Tunnel of Lizard

Shops/ Restaurants/ Souvenirs

- Food Shops (Kids Kingdom Zone)
Shop offers an extensive menu, including Curry, Chinese soup noodles (ramen), Thick Sushi Rolls (futomaki) and Fried noodles.
- Restaurant "Märchen" (Fairy Tale Hill Zone)
It is the only restaurant in the H. C. Andersen Park. The restaurant offers 'Andersen Lunch' and outdoor BBQ. You can also enjoy Danish beer.
- Boat House (Fairy Tale Hill Zone)
We recommend 'Andersen Dog' and Danish pastries. The dough of Danish pastries are imported from Denmark and baked in the kitchen of H.C. Andersen Park.
- The Goods Shop (Inside of Community Center, Fairy Tale Hill Zone)
The shop offers the mobiles imported directly from Denmark, Danish goods, fairy tale books of H.C. Andersen and original goods of H. C. Andersen Park.
- Ice cream shop Alto Ponte (Kids Kingdom Zone, next to North Gate) / The Pasture's Ice Cream Shop (Kids Kingdom Zone, next to Bridge of the Sun)
Enjoy an ice cream which uses fresh milk from local dairy farmers.
- Wampaku Shop (in front of Rainbow Pond, Kids Kingdom Zone)
We have a good selection of sweets, drinks and toys etc.
- Café Hyldemoer (Castle of Flowers Zone, next to West Gate)
Shop offers an extensive menu, including pasta and ice cream.

Information

- Type: Comprehensive park
- Area: 383,569.22㎡(As of August 2022)
- Management: Funabashi City Park Foundation
H. C. Andersen Park is the comprehensive park composed of 5 zones, including Kids Kingdom, Fairy Tale Hill, Children's Museum, Nature Experience and Castle of Flowers. The park that incorporates the natural features of the land and thicket is variegated with all kinds of seasonal flowers. People of all ages visit this leafy park and enjoy as a place of recreation and relaxation. The park derives its name from the world-famous fairy tale writer, H.C. Andersen who was born in Odense, Denmark, the sister city of Funabashi.
